Ignition : L'OsstidBURN

July 22nd to July 24th, 2016 // 22 au 24 juillet 2016

In 2016, the organization created a new event: an annual outdoor festival known as L'OsstidBurn.

This camp-out event took place over a weekend in late July 2016 on a campground in the countryside near Magog, Quebec.

The purpose of L'OsstidBurn is to further collaborative artistic expression in the community, in keeping with the guiding principles of L'Organisme de décompression des Brûleurs de Montréal.

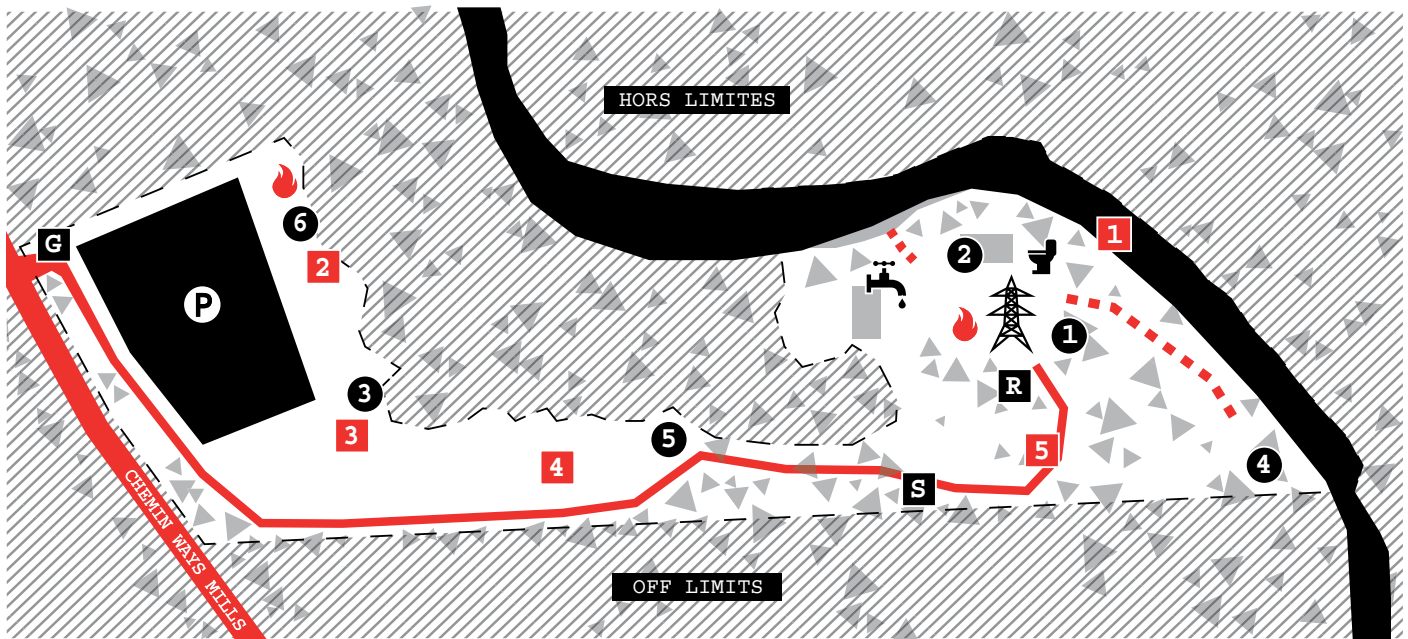

Nearly 200 people attended the first L'OsstidBurn, providing music, art installations, interactive experiences, food, and gifts.

En 2016, l'organisation a créé un nouvel événement : un festival extérieur annuel connu sous le nom de L'OsstidBURN.

Cet événement de type camping s'est tenu pendant une longue fin de semaine de la fin juillet 2016 dans un terrain de camping près de Magog au Québec.

L'objectif de L'OsstidBURN est de pousser l'expression artistique collaborative dans la communauté, dans le respect des dix principes fondateurs suivis par l'Organisme de décompression des Brûleurs de Montréal.

Près de 200 personnes ont participé à la première édition de l'OsstidBURN, en apportant musique, installations artistiques, expériences interactives, de la nourriture et d'autres offrandes.
